Case No. 12-cv-02730-VC

ORDER GRANTING MOTION FOR **PROTECTIVE ORDER**

Re: Dkt. No. 194

Case 4:16-cv-02352 Document 56 Filed in TXSD on 08/14/15 Page 2 of 2

Northern District of California United States District Court

The motion for a protective order is granted. It is obvious that these cases will require the
exchange of material whose contents must be kept confidential. Indeed, the plaintiffs have already
sought discovery of the contents of the personnel files of United employees. The defendants are
directed to submit proposed orders in each of the coordinated cases based on the Northern District
of California's model protective order, with the only change being the addition of the "attorneys'
eyes only" designation they've proposed. The parties are ordered to meet and confer about
categories of documents and other discovery materials that may be shared between cases and
submit a stipulation by August 27. The plaintiffs may file a supplemental brief, not to exceed 5
pages, in response to the court's order to show cause by August 20.

IT IS SO ORDERED.
